

Approved Roy &Dora Whitman Academy Uniform Guidelines

Items being supplied by the uniform vendor (except the skirt) can be ordered from the school. Parents who wish to order items from the school's vendor will fill out an order form (available in the school office) and bring it or send it to the school office, info@whitmanacademy.org by **May 10** in order for the items to be ready in August. On August 14-19, 2017, the school will be open to distribute orders and to sell additional items as needed.

The amount of the uniform purchase will be added to the school bill.

Parents may also purchase polo shirts and trousers from the vendors of their choice. However, all polos will need to have a Whitman patch applied and be in the approved colors. A Whitman patch will be available for purchase during orientation week.
